

MVUC COVID Guidelines for Individuals Entering MVUC for any Reason

This guidance pertains to individuals entering MVUC for any reason except for individuals attending wedding receptions or similar rental functions or receptions. Individuals attending receptions are referred to the [COVID Protection Guidelines for Individuals Attending Receptions at MVUC](#) posted on the MVUC website.

- A. Indoor Activities – Guidance below applies to activities including, church services, committee meetings, child dedications, funerals, etc.:
1. Adults and children may meet indoors at MVUC as long as they comply with **Personal Care Requirements for Employees, Congregants, Friends and Visitors**
 2. Capacity: 150 people in the Sanctuary, 40 people in the Commons, 30 people in Hollin Hall Fireplace Room and Dining Room
 3. All individuals must wear N95, KN95 or KF94 facemasks. Cloth masks are not permitted.
 4. Only individuals who are fully vaccinated & boosted (unless medically contraindicated per their physician) may attend.
 5. Individuals not yet eligible for boosters, but who have completed their primary series of vaccines (2 shots for adults, 2 or 3 shots for children 6 months and above), may attend. Children currently receiving vaccinations who have not as yet completed the vaccination series may attend activities beginning 14 days after receipt of their vaccination shot.
 6. Individuals attending services/activities will not be asked for proof of vaccination
 7. MVUC will provide a supply of these masks near the entrances to the meeting house commons area and Hollin Hall kitchen and front reception areas.
 8. Family households and groups of friends may sit together.
 9. Consumption of food or drinks is not permitted, though the kitchen may open to provide drinks/snacks for outdoor consumption.
 10. Singing indoors is allowed while wearing appropriate facemasks.
 11. Speakers and soloists may briefly remove facemasks when speaking from the podium or singing in front of the congregation near the podium/stage.
 12. Playing of wind and brass instruments is not permitted at this time.
- B. Outdoor Activities:
1. Only people who are fully vaccinated and boosted may attend.
 2. Wearing of facemasks is recommended for those who are medically vulnerable.
 3. Consumption of food and drinks is permitted.
 4. Singers/musicians may perform outside without masking but must stand 12-feet apart from attendees.
